

IC HOPE 2013

The mission of IC HOPE is to raise awareness of the problem of hunger in our area and to alleviate the problem.

Goals

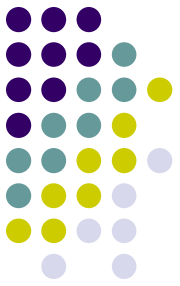

The Class of 2012 donated \$2500 to the FoodBank and won the Jefferson Award for service.

The IC HOPE 2013 group plans to exceed the contributions made by last year's class.

Events

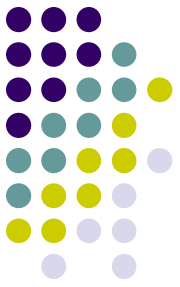

As seventh graders, we decided to collect 700 jars of peanut butter and jelly. We successfully met that goal in June 2012 and delivered 1,170 pounds of PB&J to the FoodBank.
