BRIELLE — The Brielle Public Library is holding a fine amnesty drive during November.

From now until Thanksgiving, the Brielle Library will forgive the late fines of those bringing in food donations for Brielle Elementary School's Integrated Curriculum Helping Our People Eat (IC HOPE) Drive.

Audrey Mannion (from left), Dara Johnson, and Ally Jones, eighth graders at Brielle Elementary School, talked to the council about their involvement with Integrated Curriculum Helping Our People Eat (IC HOPE) class, which helps collect food and raise money for the FoodBank of Monmouth and Ocean Counties as well as raise awareness about hunger in the area.
