7510 USE OF SCHOOL FACILITIES

The Board of Education believes the school facilities of this district should be made available for community purposes, that promote the interests of young people and families provided that such use does not interfere with the educational and co-curricular programs of the school district. For the purpose of this policy, “school facilities” also includes school grounds.

The Board will permit the use of school facilities after an application has been made and approved by the District. The District reserves the right to withdraw permission after it has been granted.

The use of school facilities may be granted for the advantage of a commercial or profit-making organization but will not be granted for any private social function or any purpose that is prohibited by law.

Each user shall present evidence of the purchase of organizational liability insurance to the limit as prescribed by district regulations. Users shall be financially liable for damage to the facilities and for proper chaperonage including any security needs. All activities must terminate by 10 PM.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted in accordance with Policy No. 7520. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence. Where rules so specify, certain items of equipment may only be used by a qualified operator approved by the school district administration.

The Board shall approve annually a schedule of fees for the use of school facilities based upon the use of school facilities for activities directly related to the educational program and district operations.
