To: Brielle School Parents and Staff
Re: Drinking Water Sampling Activity

This notice is to inform Brielle School District Parents and Staff that PARS Environmental, Inc. will be performing water testing services to re-test Brielle School selected water sources (not drinking water sources, sinks only) for lead. These tests are re-tests of six sites that had the fixtures replaced.

This testing will take place on Friday, June 2, 2017 prior to school opening and will have no impact on students or staff.

Thank you,

Eileen Gorga
Business Administrator
