

Dear Parents,

Keeping parents informed and involved helps to assure student safety and improve student success. With today's on-the-go lifestyles, it has become more difficult for schools to reach families quickly and effectively. This is why our school has decided to implement the Genesis Parent Portal for Grades K - 8. The Genesis Parent Portal is an essential tool, within minutes of logging on you will be able to access your child's grades and attendance at a glance.

The Genesis Parent Portal is an Internet based program, allowing each family secure, password protected access to their child's records. Use the following information to access the system.

Parents of all students have been emailed their username and password for the following website:

If you need assistance, please email Mr. Slater at eslater@brielleschool.org.

We hope you enjoy this new service!

Keeping Children First,

Christine Carlson
