

6641 – PUPIL LUNCH CHARGES

In the event a parent/legal guardian of a pupil enrolled in the Brielle School District does not prepare a lunch for their child or does not provide their child money to purchase lunch for a school day and to avoid a pupil going throughout the school day without proper nourishment, the school district will provide the pupil a lunch with the cost to be reimbursed by the parent/legal guardian.

The pupil will be provided a Type A lunch for the first two occurrences during a school year and a sandwich and milk for the third through fifth occurrence during the school year. The food service manager or head cook will be required to approve such charge and will provide the pupil with documentation indicating the date the lunch was provided and the amount of money owed. The pupil and/or parent/legal guardian shall be required to pay to the school's cafeteria manager or head cook the charge amount in cash or check made payable to the Brielle School District Food Service Program within ten (10) school days of the charge.

In the event the pupil requires lunch to be provided more than five times during the school year, the matter will be referred to the school social worker.

For families with multiple family members, the Food Service Manager with the approval of the School Business Administrator can apply one family members' credit balance to another family member's debit balance.
